

TECHNICAL NOTE no.: 56	
Product:	Brake bias sticker
Part number:	n/a
To:	Audi RS3 LMS gen II
Date:	02/07/2024

Dear customer,

we've found cars where the sticker of the brake bias knob was mounted in the wrong sense.

To get rid of any doubt we've manufactured a specific sticker for the Audi RS3 LMS, which you can order for free and replace the sticker in doubt.

Please send us your order request by email directly to Audi Sport customer racing.
